About us

The Chemical Pathology e-Portfolio has been designed to aid in hosting useful resources for us in Chemical Pathology. It was designed by members of UCT and NHLS, but is hosted totally independent of the NHLS and UCT.

The site is hosted on WordPress, which has been shown to be useful to host student portfolio's (Avila, J., Sostmann, K., Breckwoldt, J. and Peters, H., 2016. Evaluation of the free, open source software WordPress as electronic portfolio system in undergraduate medical education. *BMC medical education*, *16*(1), p.157.)

So we are implementing it for Chempath.

We Kaizen our way to the win.
